

HOW TO ACHIEVE GOALS

However, every great Cause in this world of existence findeth a visible expression through three means; first, intention; second, confirmation; third, action. Today on this earth there are many souls who are the spreaders of peace and reconciliation and are longing for the realization of the oneness and unity of the world of man; but this intention needs a dynamic power, so that it may become manifest in the world of being. Today the divine instructions and lordly exhortations of Bahá'u'lláh promulgate this most great aim and the confirmations of the Kingdom are the supports and defenders of this eminent intention. For the power of the Word of God is penetrative and the existence of the divine Kingdom is uninterrupted. Therefore, ere long it will become evident and clear that the ensign of the Most Great Peace is the teachings of Bahá'u'lláh. For the intention, the power and the action, all the three essential elements are brought together and the realization of everything in the contingent world dependeth upon these three principles.

The attainment of any object is conditioned upon knowledge, volition and action. Unless these three conditions are forthcoming, there is no execution or accomplishment. In the erection of a house it is first necessary to know the ground, and design the house suitable for it; second, to obtain the means or funds necessary for the construction; third, actually to build it.
