

PREJUDICE

Bahá'u'lláh has also taught that prejudices, whether religious, racial, patriotic or political are destructive to the foundations of human development. Prejudices of any kind are the destroyers of human happiness and welfare. Until they are dispelled the advancement of the world of humanity is not possible, yet racial, religious and national bias are observed everywhere. For thousands of years the world of humanity has been agitated and disturbed by prejudices. As long as it prevails, warfare, animosity and hatred will continue. Therefore if we seek to establish peace we must cast aside this obstacle, for otherwise agreement and composure are not to be attained.
